

## THE MIKE LEIMBACH AWARD

This award is not given to the best player or to the player who scores the most points. The person who wins this award should be the player or cheerleader who refuses to quit no matter what the situation, and through an unwavering display of character inspires others to do the same. But most of all, the winner of this award must display an extraordinary dedication to the team's success with absolutely no regard for personal glory or recognition. Make no mistake, all of our Charger players and cheerleaders put their guts into the game, but every year there has been at least one who goes above and beyond to make their mark in Charger history. The Mike Leimbach Award will go to that one individual who embodies Charger spirit, demands fight and selflessly helps others on the team.

This award will only go to one cheer or football player. Each level of both cheer and football will nominate an individual and the board will choose one finalist from the eight groups (Flag, Freshman, JV, Varsity).
